Colouring Techniques

Come, let's learn some colouring techniques using pencil colours or sketch pens.

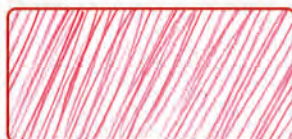

Practise here!

Regular
colouring

This is the most common or regular technique.

Hatching
technique

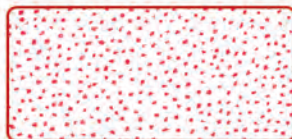

A series of lines in the same direction is called hatching technique.

Cross-
hatching
technique

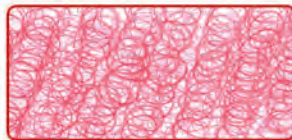

A series of lines in one direction crossed by another set of lines in the opposite direction is called cross-hatching.

Stippling

Filling the space with dots is called stippling.

Scumbling

Continuous circular marks without lifting the pen is called scumbling.

Merging
hatching

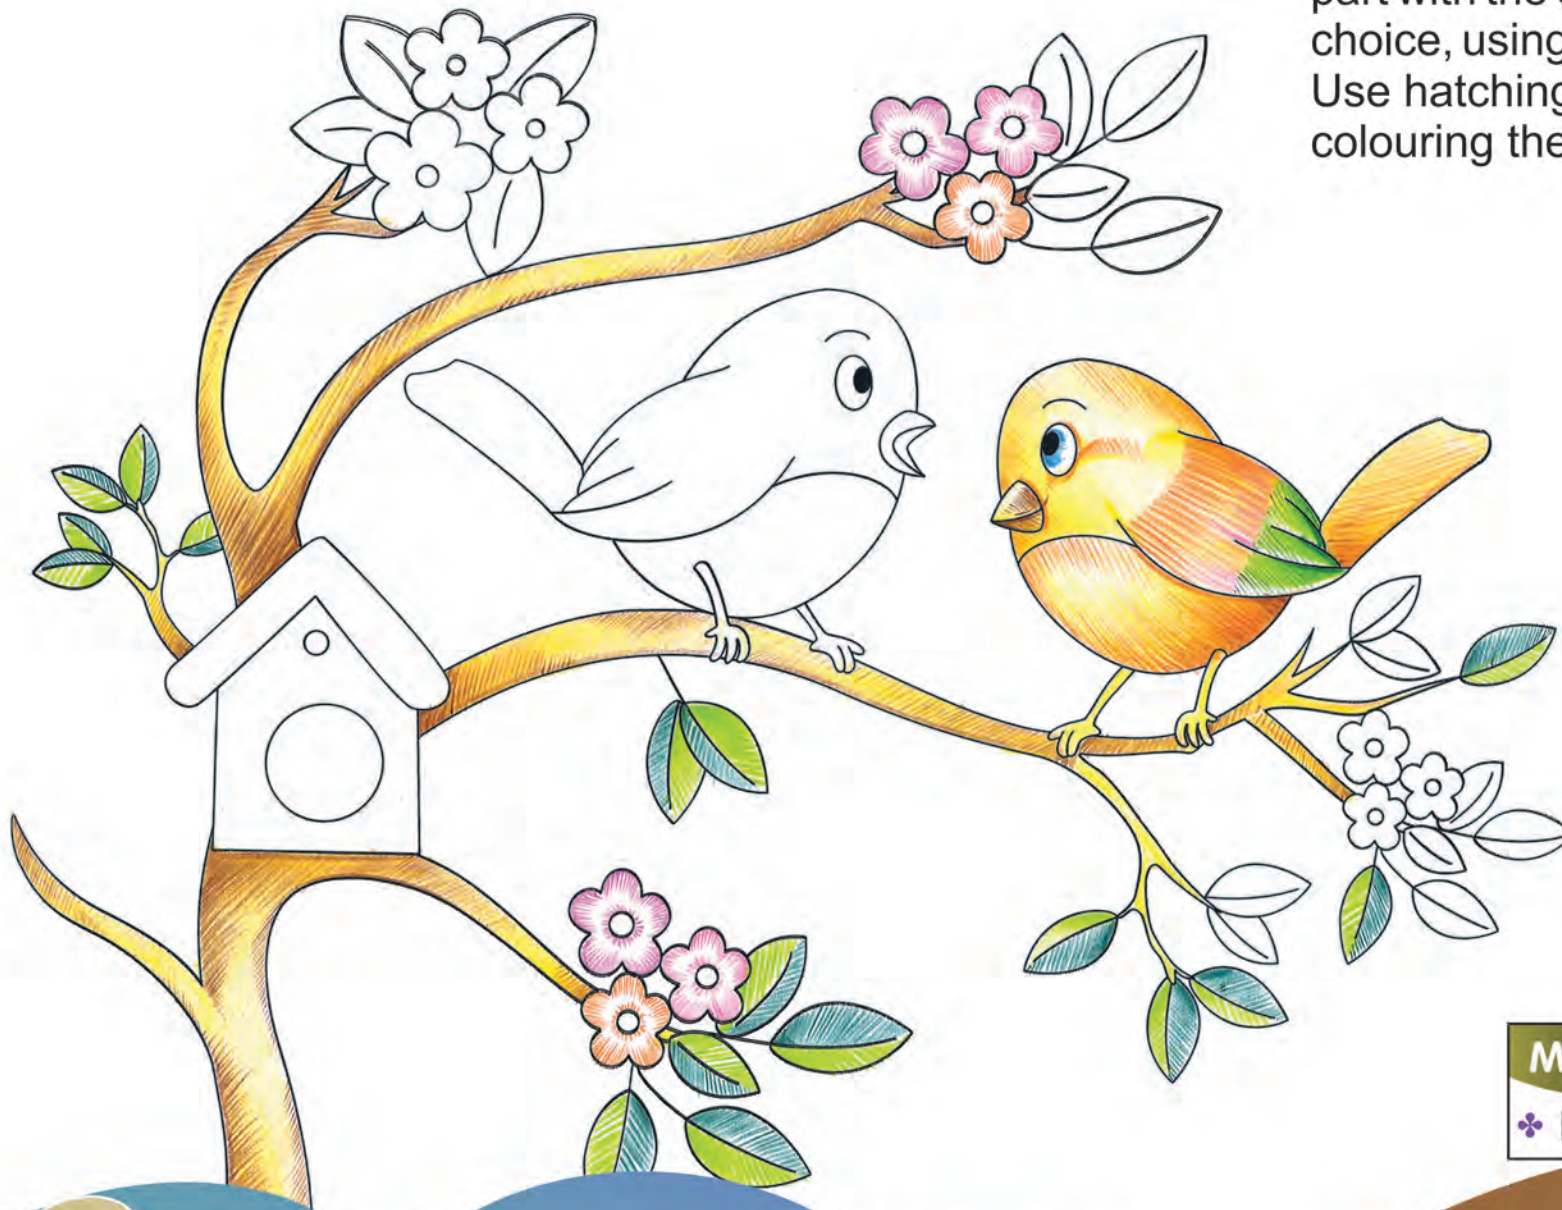

Merging of two colours into each other is called merging-hatching.

Teacher's Feedback

		
Average ☐	Good ☐	Excellent ☐

Birds - Hatching technique

Half part of the given picture is coloured and the other half needs colouring. So, colour this part with the colours of your own choice, using pencil colours. Use hatching technique for colouring the picture.

Materials Needed

✦ Pencil Colours

Teacher's Feedback

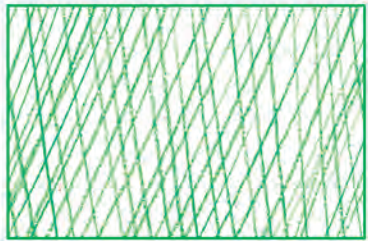

Average	Good	Excellent
☐	☐	☐

Butterfly - Cross-hatching technique

This technique creates awesome shading effect and textures. Use coloured pencils or gel pens to colour this picture following the cross-hatching technique.

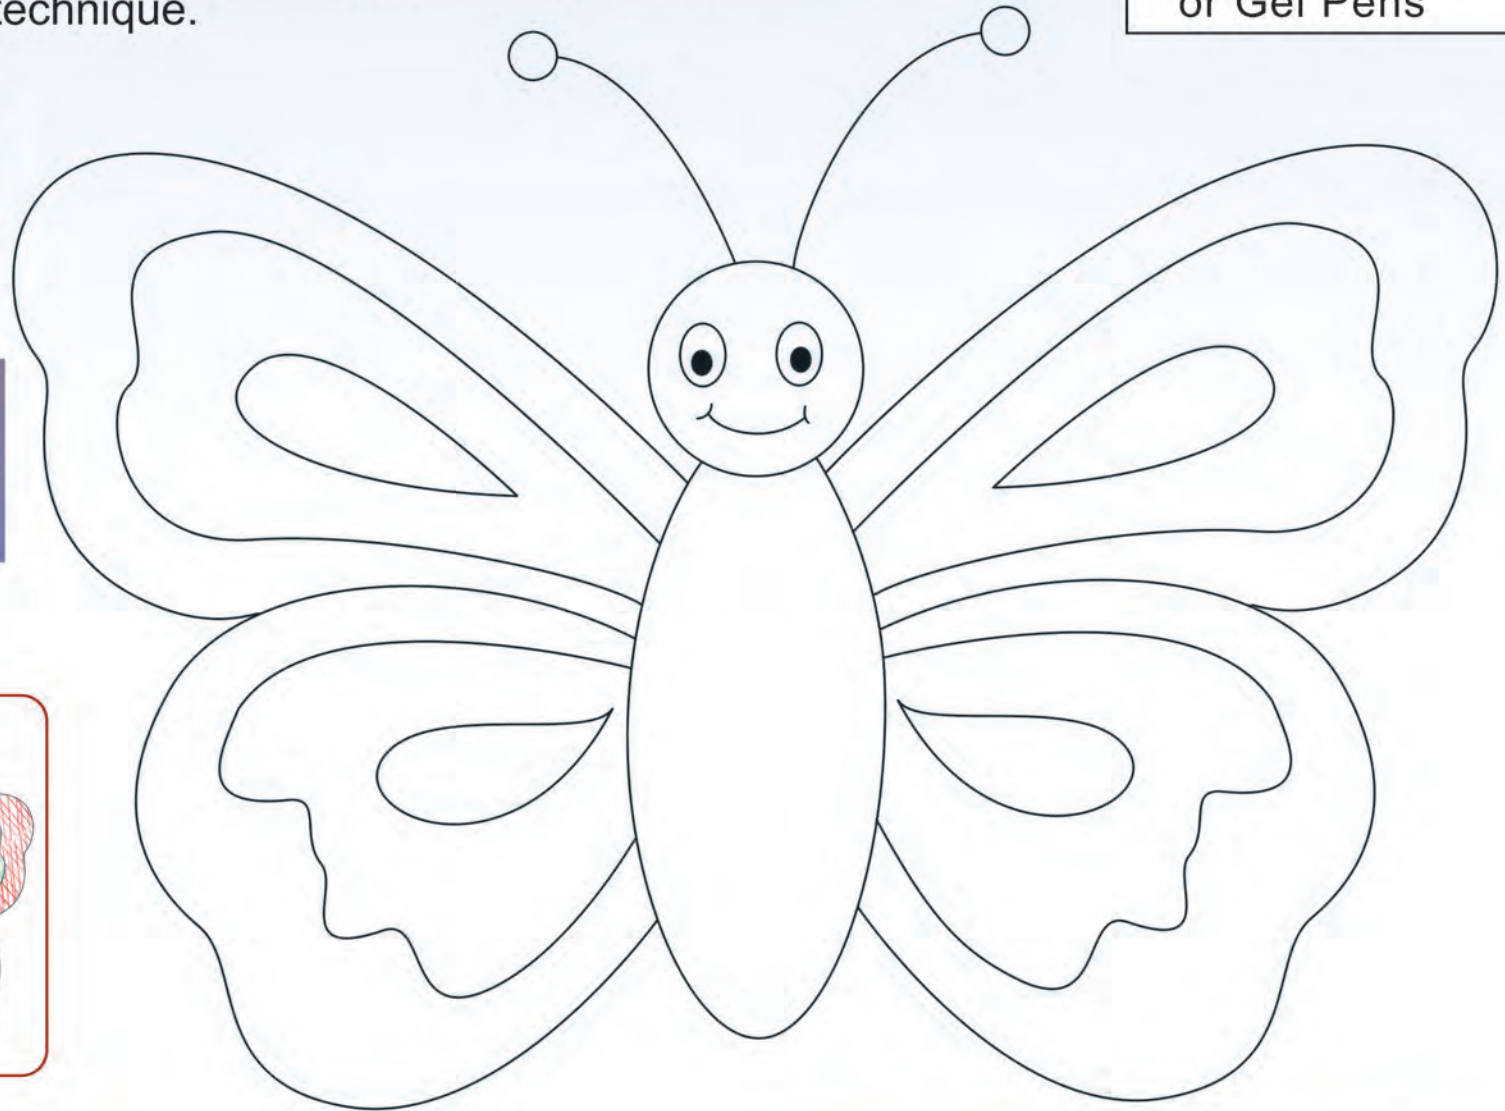

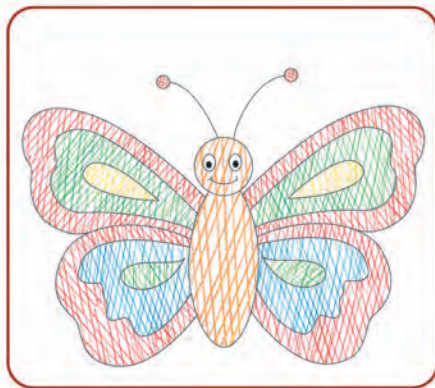

Materials Needed

✦ Coloured Pencils or Gel Pens

Are you aware?

That butterflies have transparent wings.

Teacher's Feedback

		
Average ☐	Good ☐	Excellent ☐

Let's Learn - Stippling Technique

Now, let's try stippling with a pencil. Take care, overlaps or draw dots close together where ever you want a darker shade. Take help from the reference picture.

Are you aware?

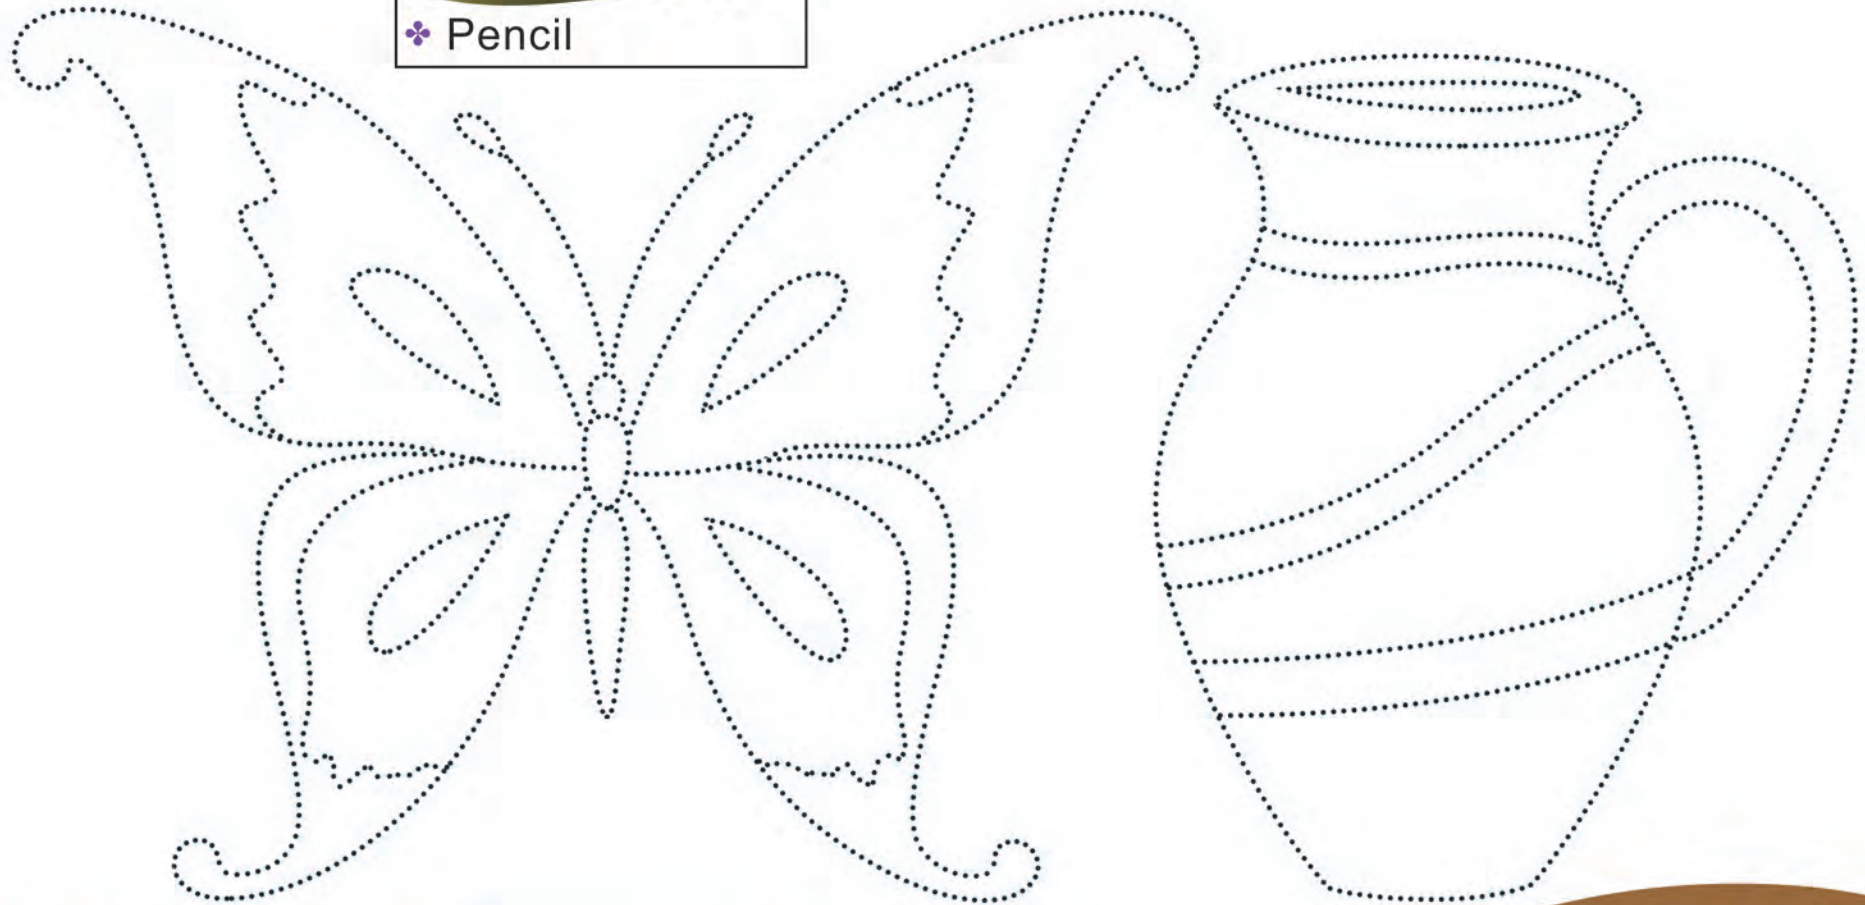

The stippling technique is a method of creating images using small dots.

Materials Needed

✦ Pencil

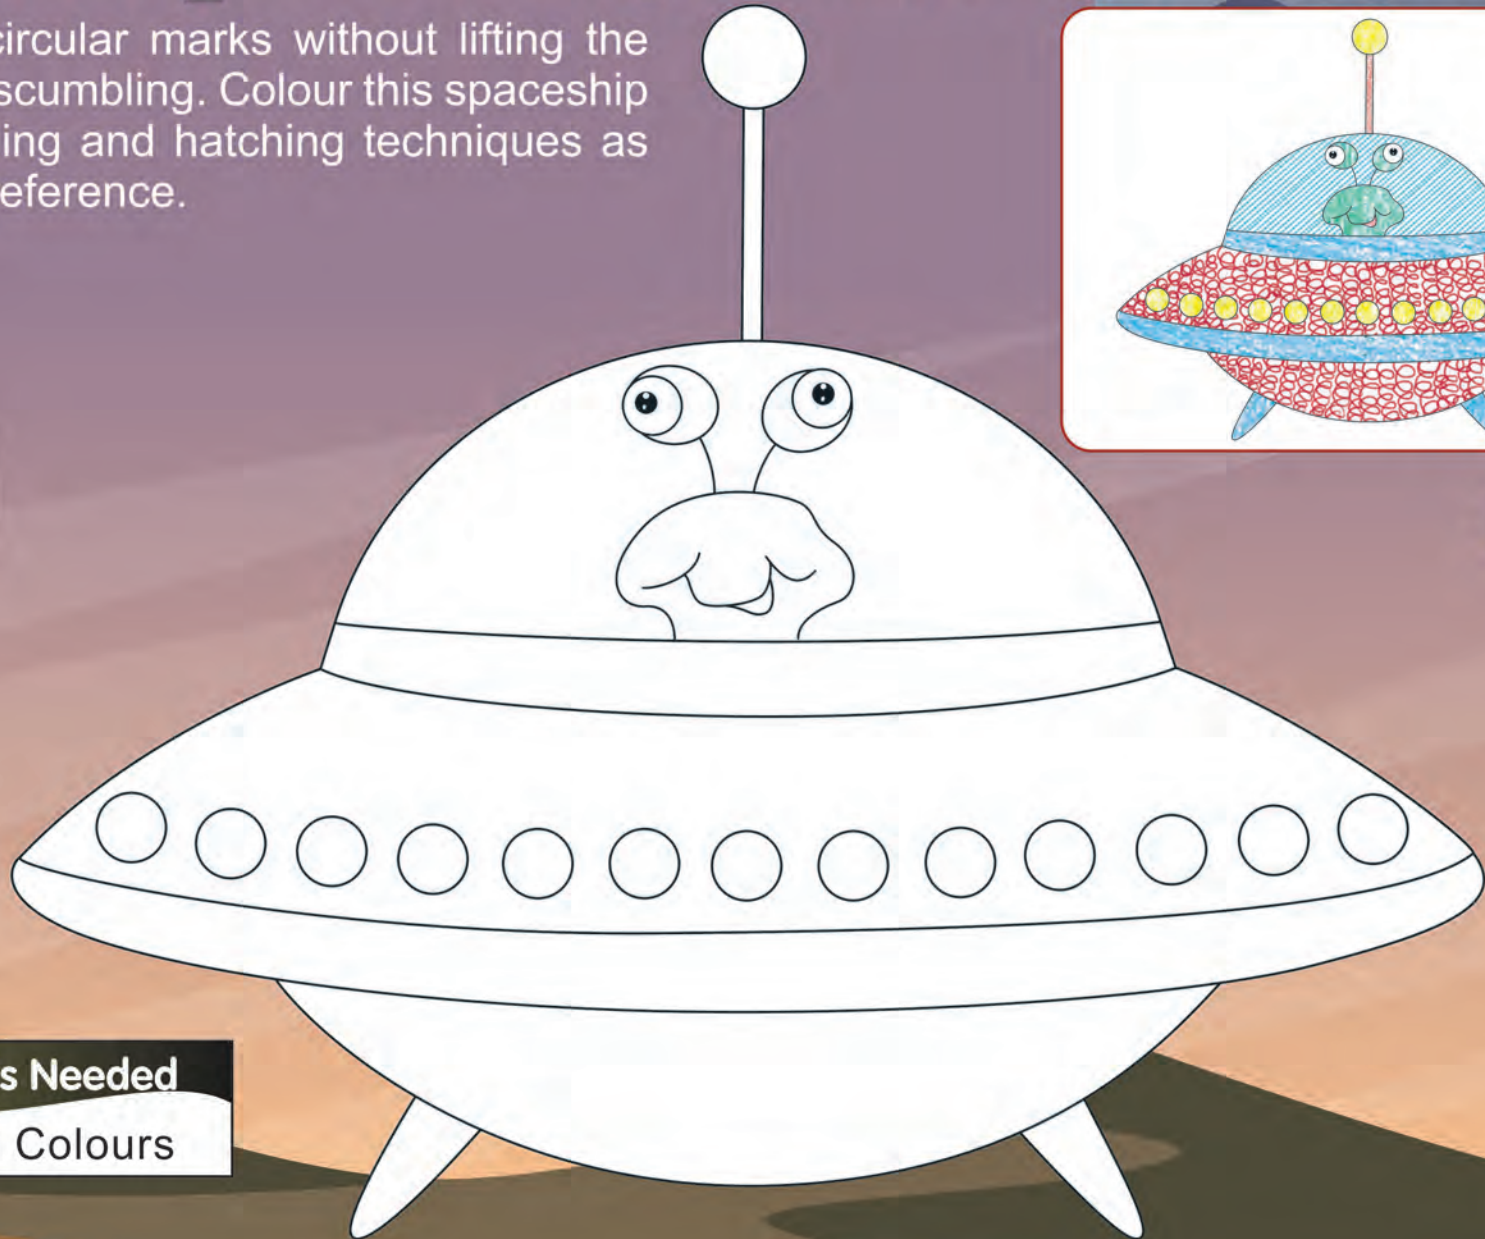

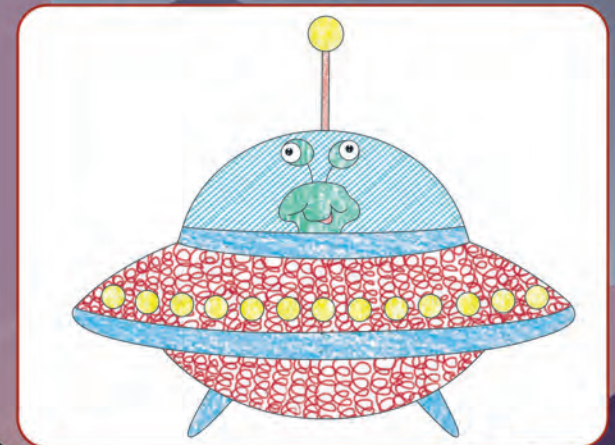

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

Spaceship - Scumbling and hatching technique

Continuous circular marks without lifting the pen is called scumbling. Colour this spaceship using scumbling and hatching techniques as shown in the reference.

Materials Needed

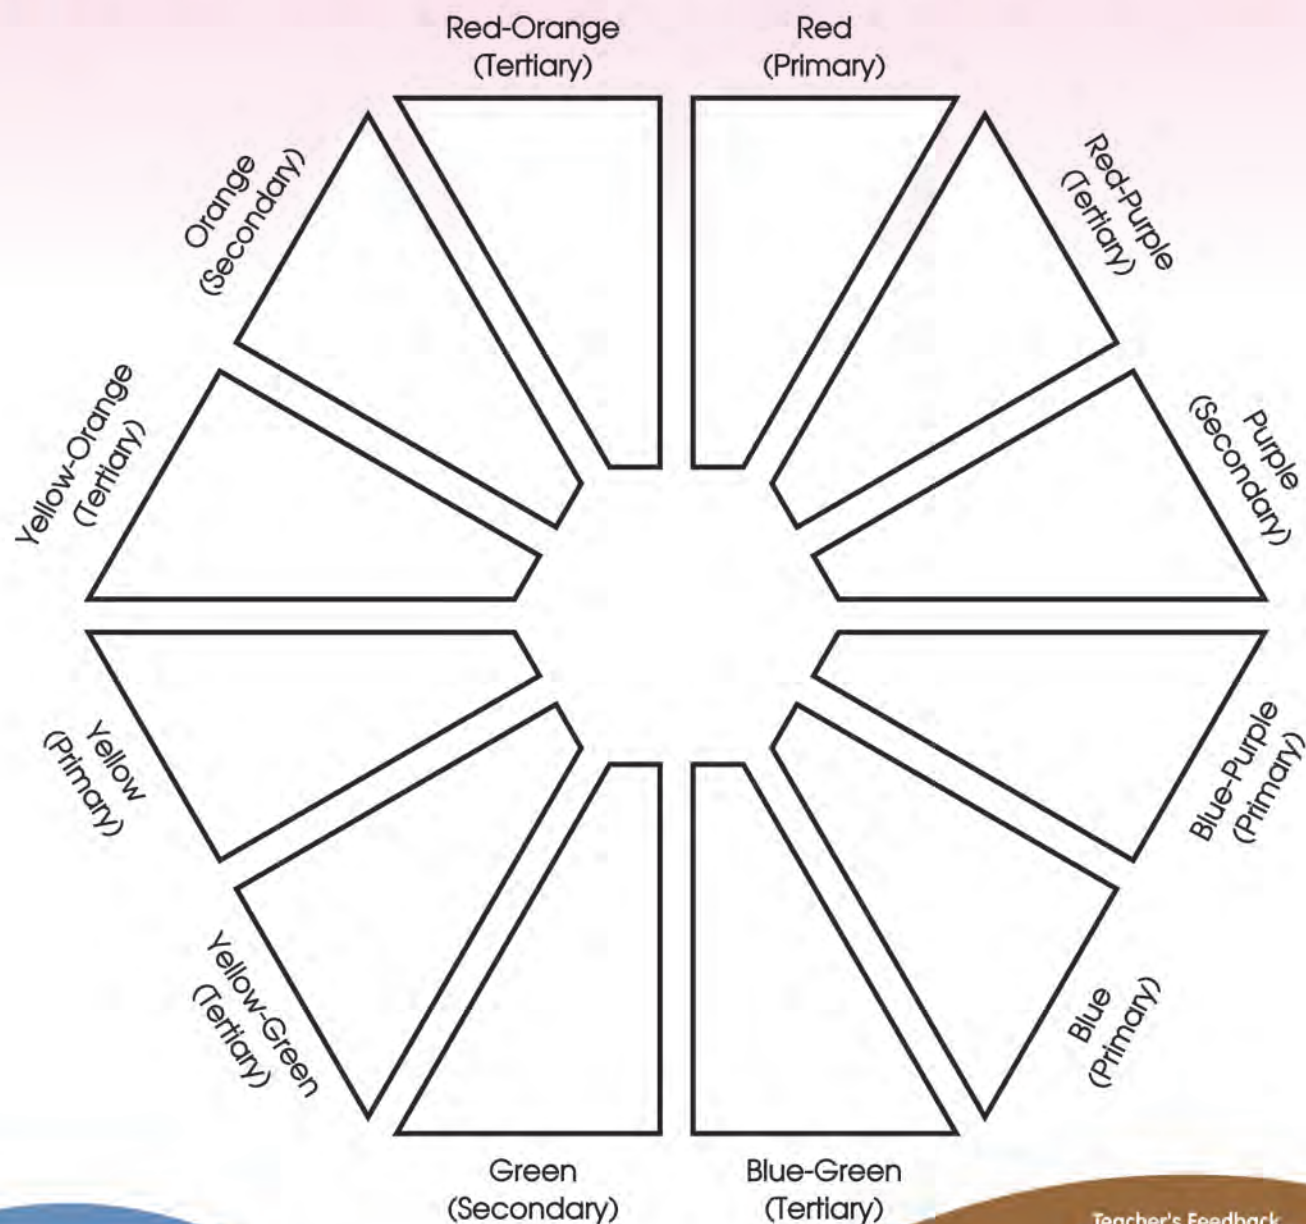

✿ Pencil Colours

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐
----------------------------------	-------------------------------	------------------------------------

Colour Chart

Let's make this colour chart. Fill primary, secondary and tertiary colours in the given picture using poster colours.

Materials Needed

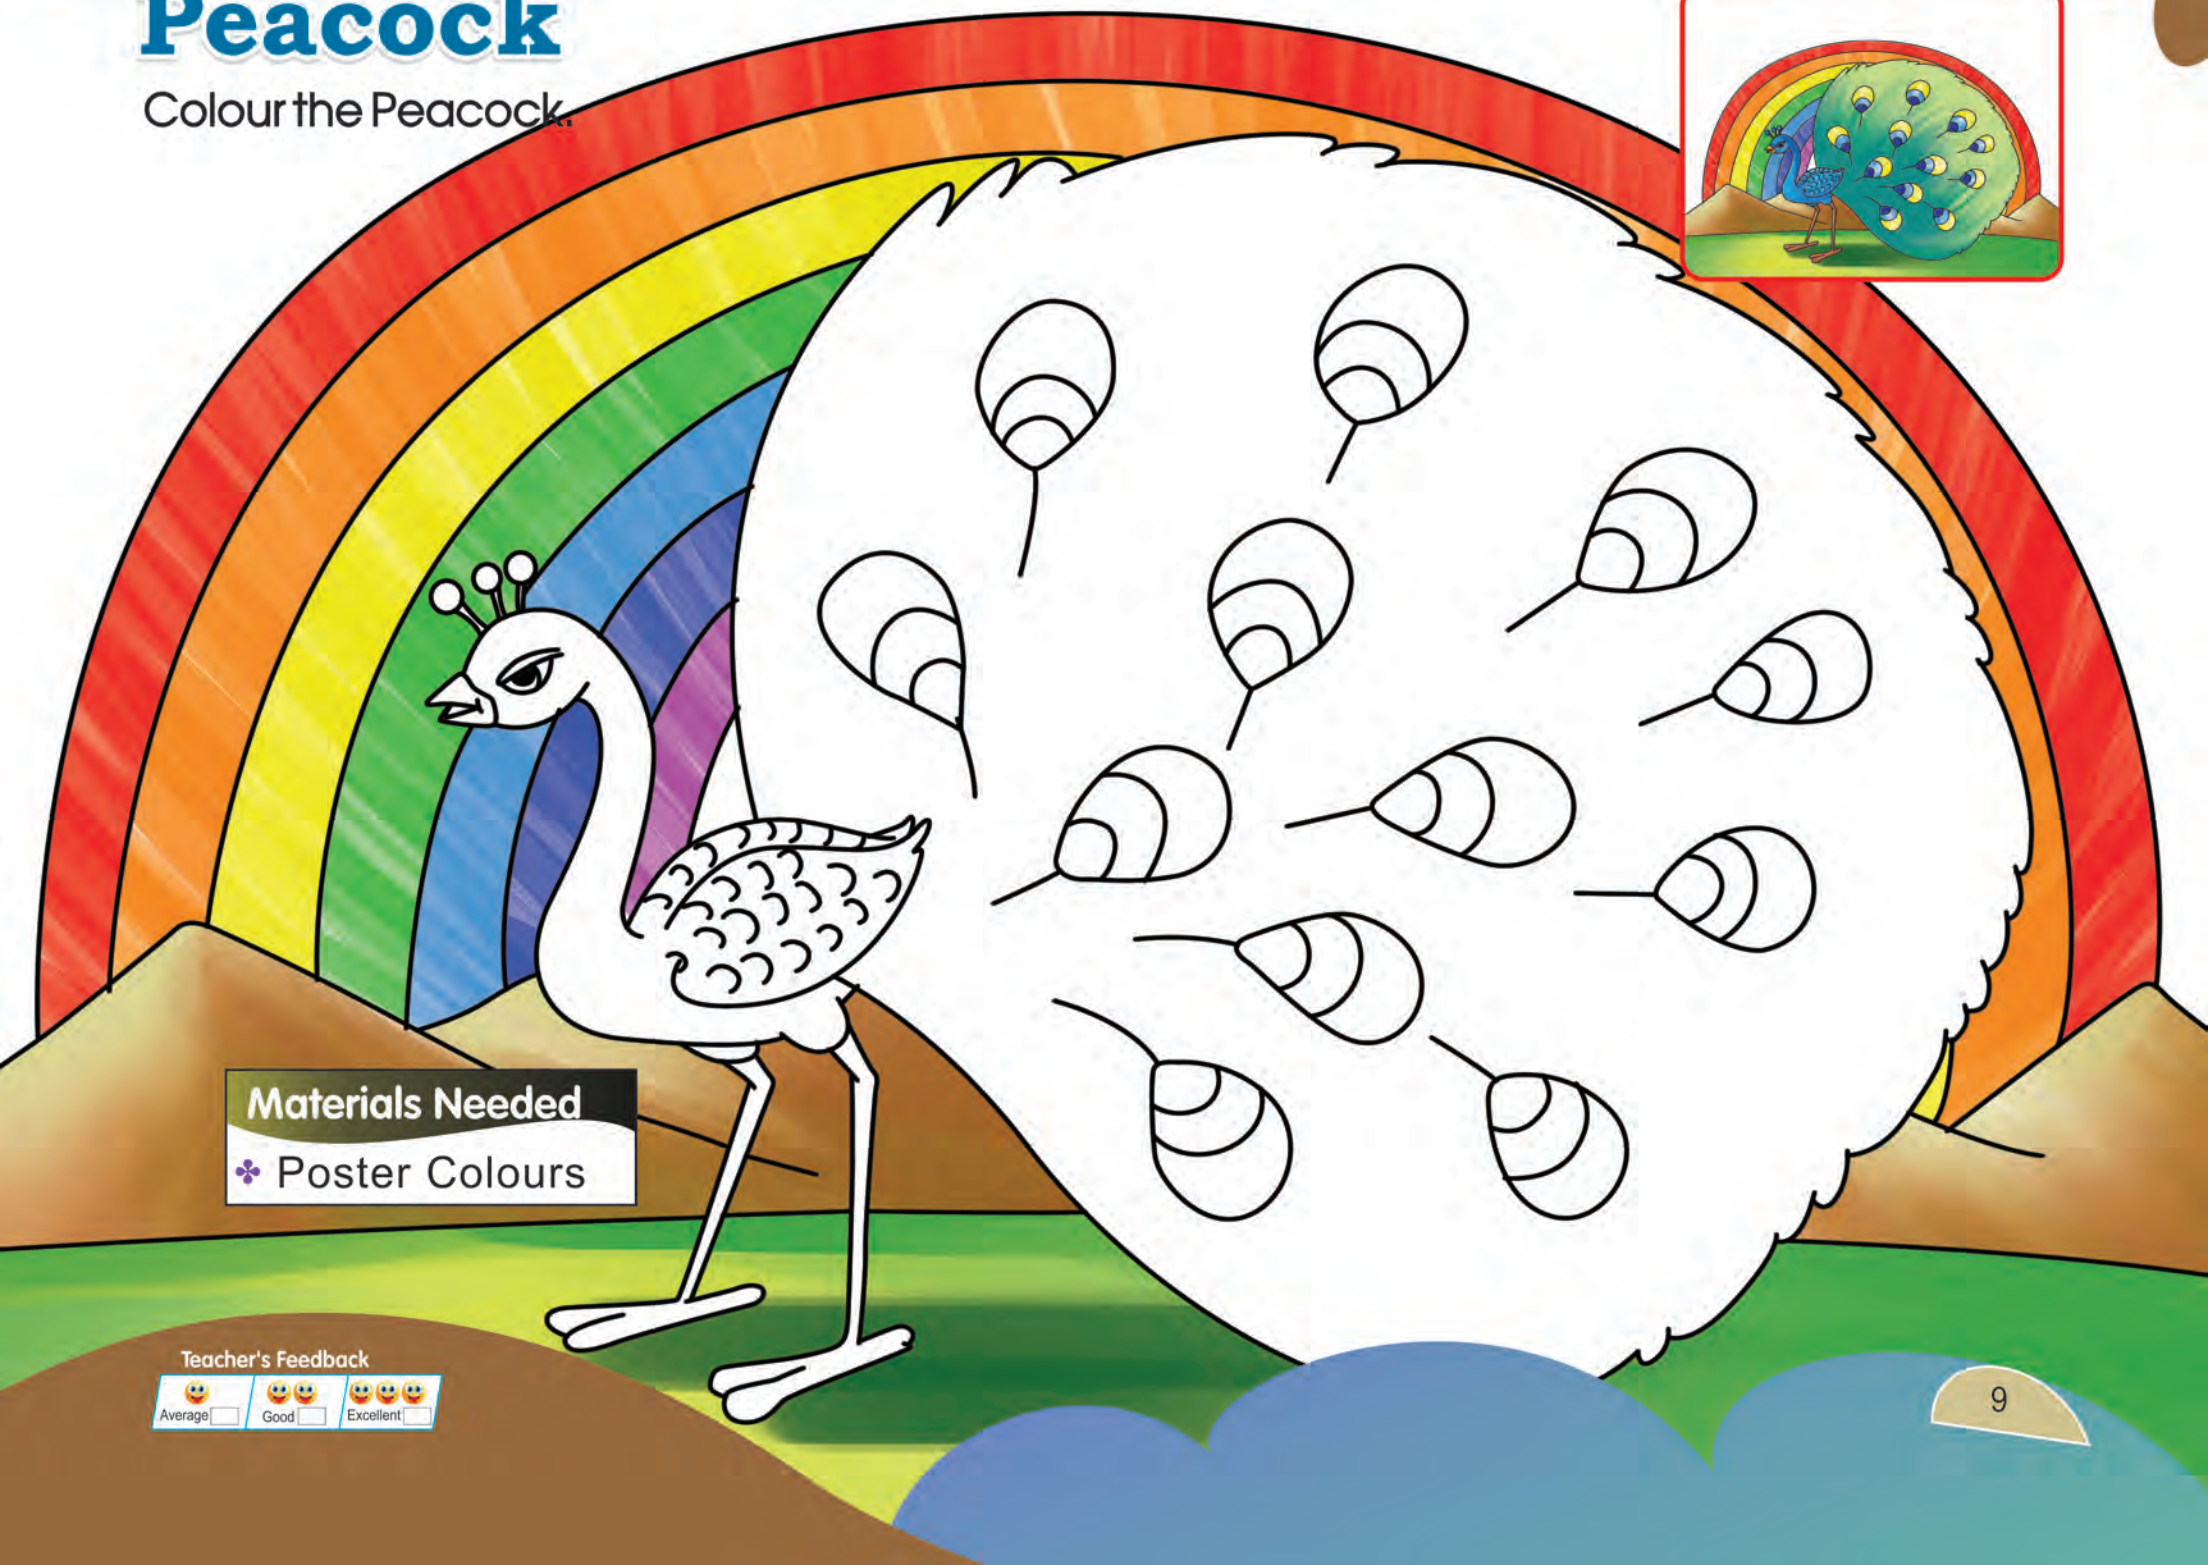

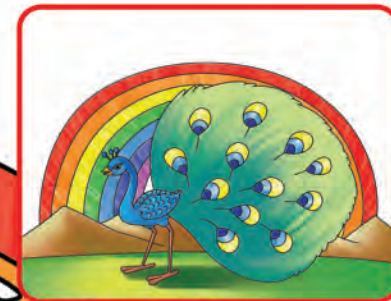

✿ Crayons

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

Peacock

Colour the Peacock.

Materials Needed

✦ Poster Colours

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

Fort

Look at the picture carefully and complete the fort on the facing page.

Are you aware?

Red Fort is in Delhi.

Materials Needed

✿ Sketch Pen

Teacher's Feedback

Average ☐ Good ☐ Excellent ☐

Teacher's Feedback

		
Average ☐	Good ☐	Excellent ☐

Rooster - Paper Collage

Pull out some colourful printed papers from some old magazines and newspapers. Tear them in small pieces and paste them in the picture as shown. Colour the remaining part using crayons. Your rooster paper collage is ready.

Materials Needed

- ✿ Coloured papers
- ✿ Glue

Teacher's Feedback

		
Average ☐	Good ☐	Excellent ☐

Emboss Painting

Emboss painting is a design on a surface such that it appears to be raised. Follow the steps and learn to do emboss painting.

1. Trace the outlines of given figure with an adhesive. Leave it for drying.
2. Fill coloured drawing inks in between the design.
3. See the effect. You will find an amazing emboss painting with 3D effect.

Are you aware?

Emboss painting is a technique where designs are pressed into a surface to create a raised, three-dimensional effect.

Materials Needed

✿ Water Colours

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

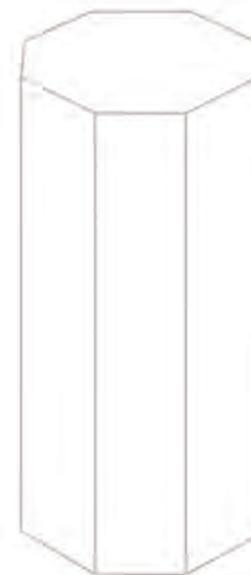

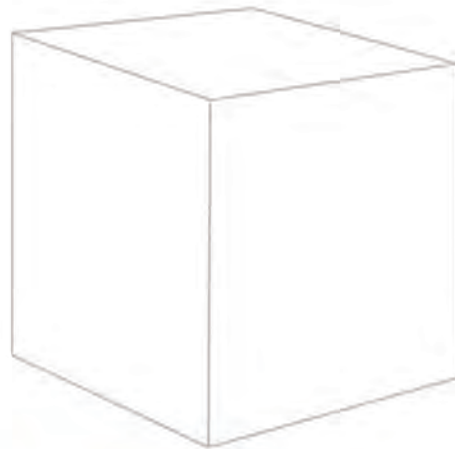

3D Shapes (Pencil Shading)

Pencil shading can be used to bring 3D effects in pictures. Use light and dark tones of pencil shading using pencil and give similar 3D effects in the shapes as shown.

Are you aware?

3D shapes are objects that have three dimensions: length, width, and height. Some common examples include cubes, spheres, cones, and cylinders.

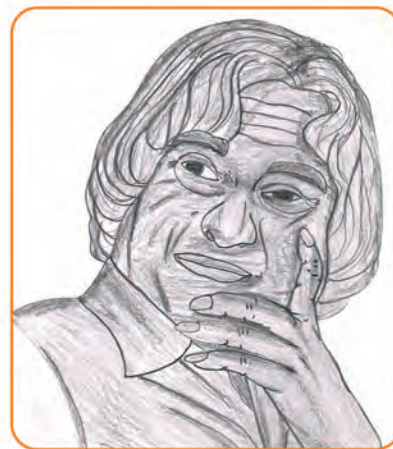

Materials Needed

✦ Water Colours

Portrait - Dr. APJ Abdul Kalam Azad

Observe the portrait of Dr. APJ Abdul Kalam Azad. Trace over the dotted lines to complete the portrait. Give similar pencil shading effects as shown here.

Are you aware?

Dr. APJ Abdul Kalam focused the principle of 'Simple Living, High Thinking'.

Materials Needed

✿ Pencil

Teacher's Feedback

		
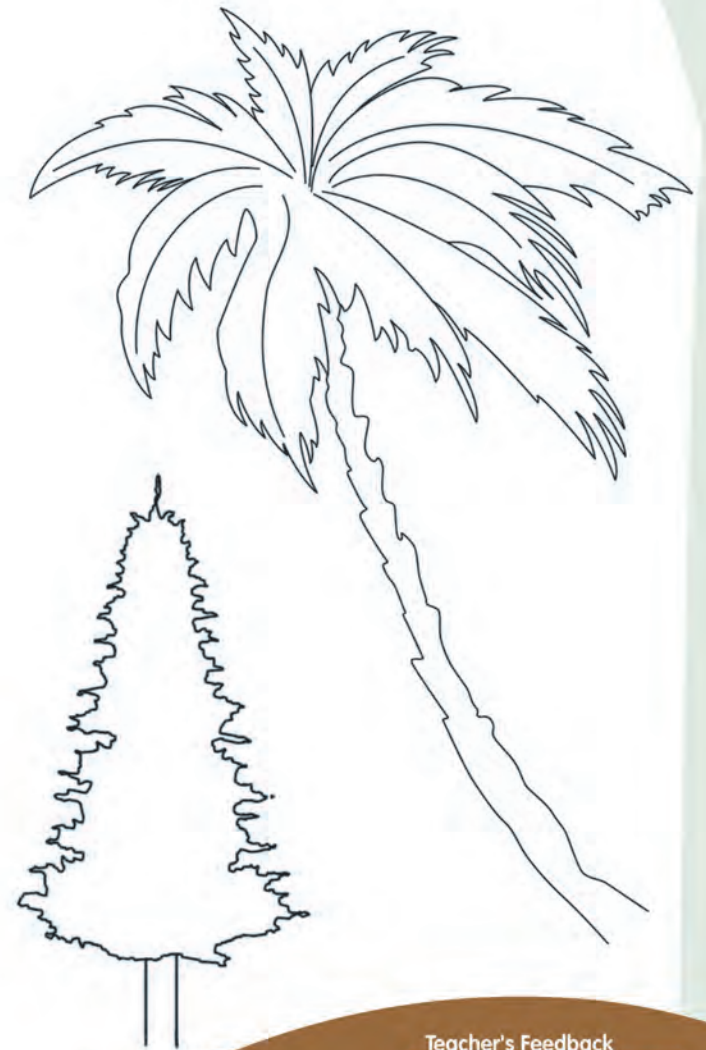

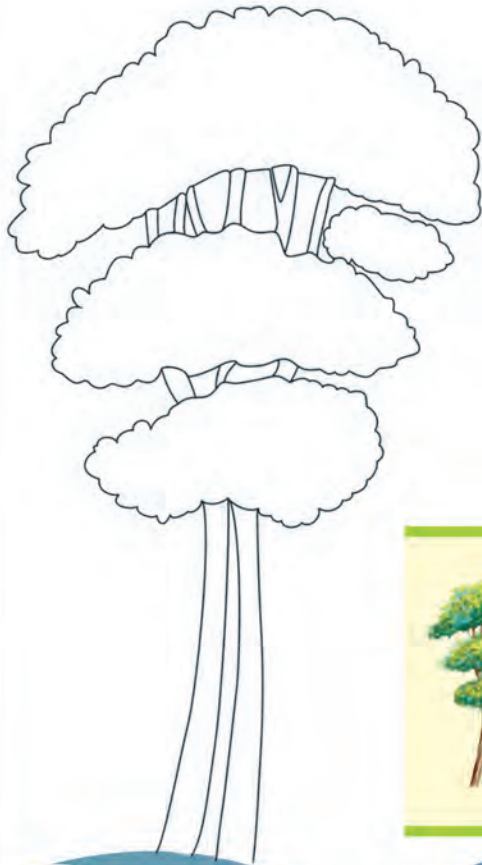

Average ☐	Good ☐	Excellent ☐

Trees

We see a number of trees in our surrounding. Different types of trees are given here. Observe the shading effects and try to make the similar ones. Use coloured pencils for colouring.

Materials Needed

✦ Pencil Colours

Night Scene - Merging Technique

Black colour paper sheet and oil pastel colours is a wonderful combination to create a beautiful night scene. Let's create this beautiful scenery using merging techniques.

Materials Needed

✿ Oil pastel colour

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐
----------------------------------	-------------------------------	------------------------------------

Merging and Blending

You can merge or blend two or more colours by placing them side by side or overlapping them slightly in the middle. Then rub across softly using your finger or soft paper to blend them. Colour the picture of this bird using pencil colours or crayons.

Are you aware?

The hummingbird is the only bird that can fly backwards.

Materials Needed

✦ Crayons

Scenery - Sandpaper with oil pastel colours

Follow the given steps and make a beautiful scenery on a sandpaper using oil pastel colours. See the unique impact of the texture of sandpaper with tiny dots on it.

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

Let's Learn - Knife / Stick Painting

Observe the colouring strokes on the apple. You will clearly see the three dimensional effect on the painting. Now dip a plastic knife or a stick in thick poster colours and fill in the outline of the mango and see the effect.

Are you aware?

You can paint directly on sticks to create colorful designs, or use sticks to apply paint to other surfaces, creating unique textures and patterns.

Materials Needed

✦ Poster Colours

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐
----------------------------------	-------------------------------	------------------------------------

Patterned Design

Follow the instructions and make this wonderful design.

Start making patterned strokes outward, keeping the given dots as centre. Keep drawing strokes and you have to decide which circle should overlap the other. Cover all the space given.

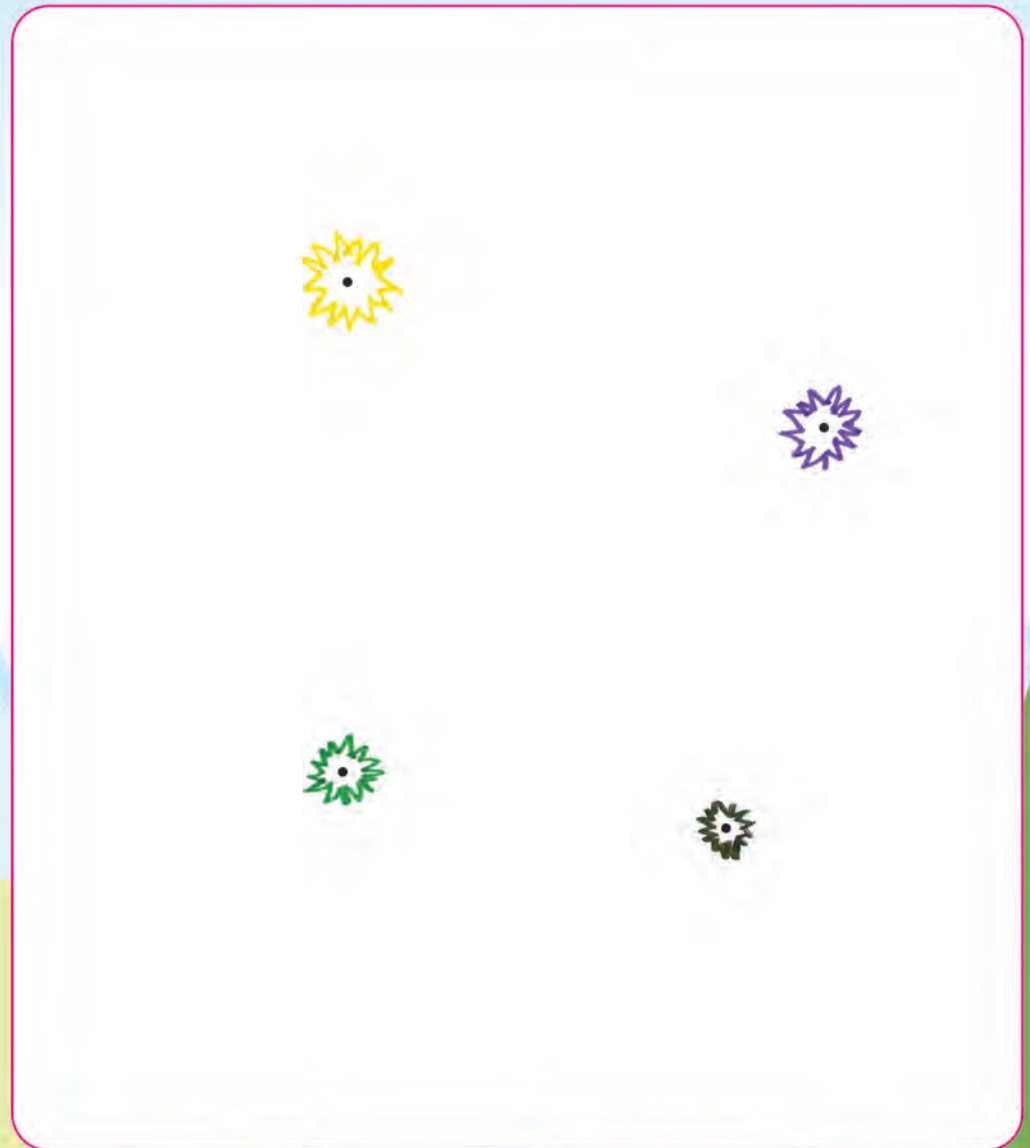

Materials Needed

✦ Poster Colours

Are you aware?

Patterned design involves creating repeated visual elements to form a matching design.

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

Glowing Flowers

(Blow painting and earbud impressions)

Put some drops of poster colours at the bottom of the sheet as shown.
Blow and spread the colours upward using a drinking straw.
Take an earbud and put impressions using poster colours to make flowers and leaves.

Materials Needed

✿ Earbuds

Teacher's Feedback

		
Average ☐	Good ☐	Excellent ☐

Fan - Paper Craft

Follow the steps to make a paper fan.

Materials Needed

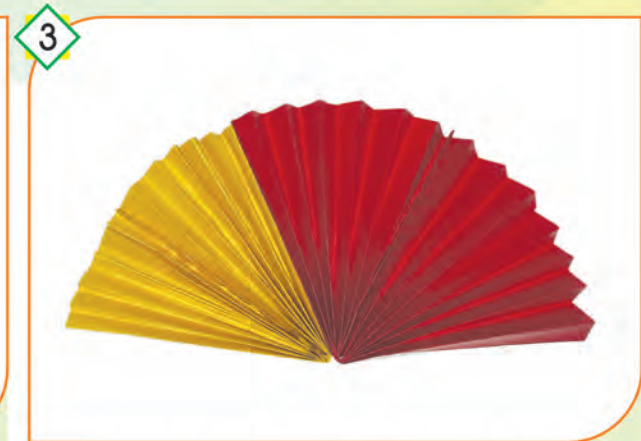

✦ Glaze Paper ✦ Glue Stick ✦ Ice-cream sticks

Take red and yellow sheets of glaze paper.

Fold these sheets in mountain and valley style. Now paste folded papers as shown.

Paste both fans together as shown. Now fold the fan and paste two ice-cream sticks on both sides of the folded fan.

Let it dry. Now open and see.
Your fan is ready!

Isn't this amazing?

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

Save Tree

Colour the picture as shown in the box.

Materials Needed

✿ Crayons

Teacher's Feedback

Average	Good	Excellent

Wool Card - Wool art and colouring

Come art lovers! Let's learn wool art! Follow the steps and learn to make this beautiful wool-card.

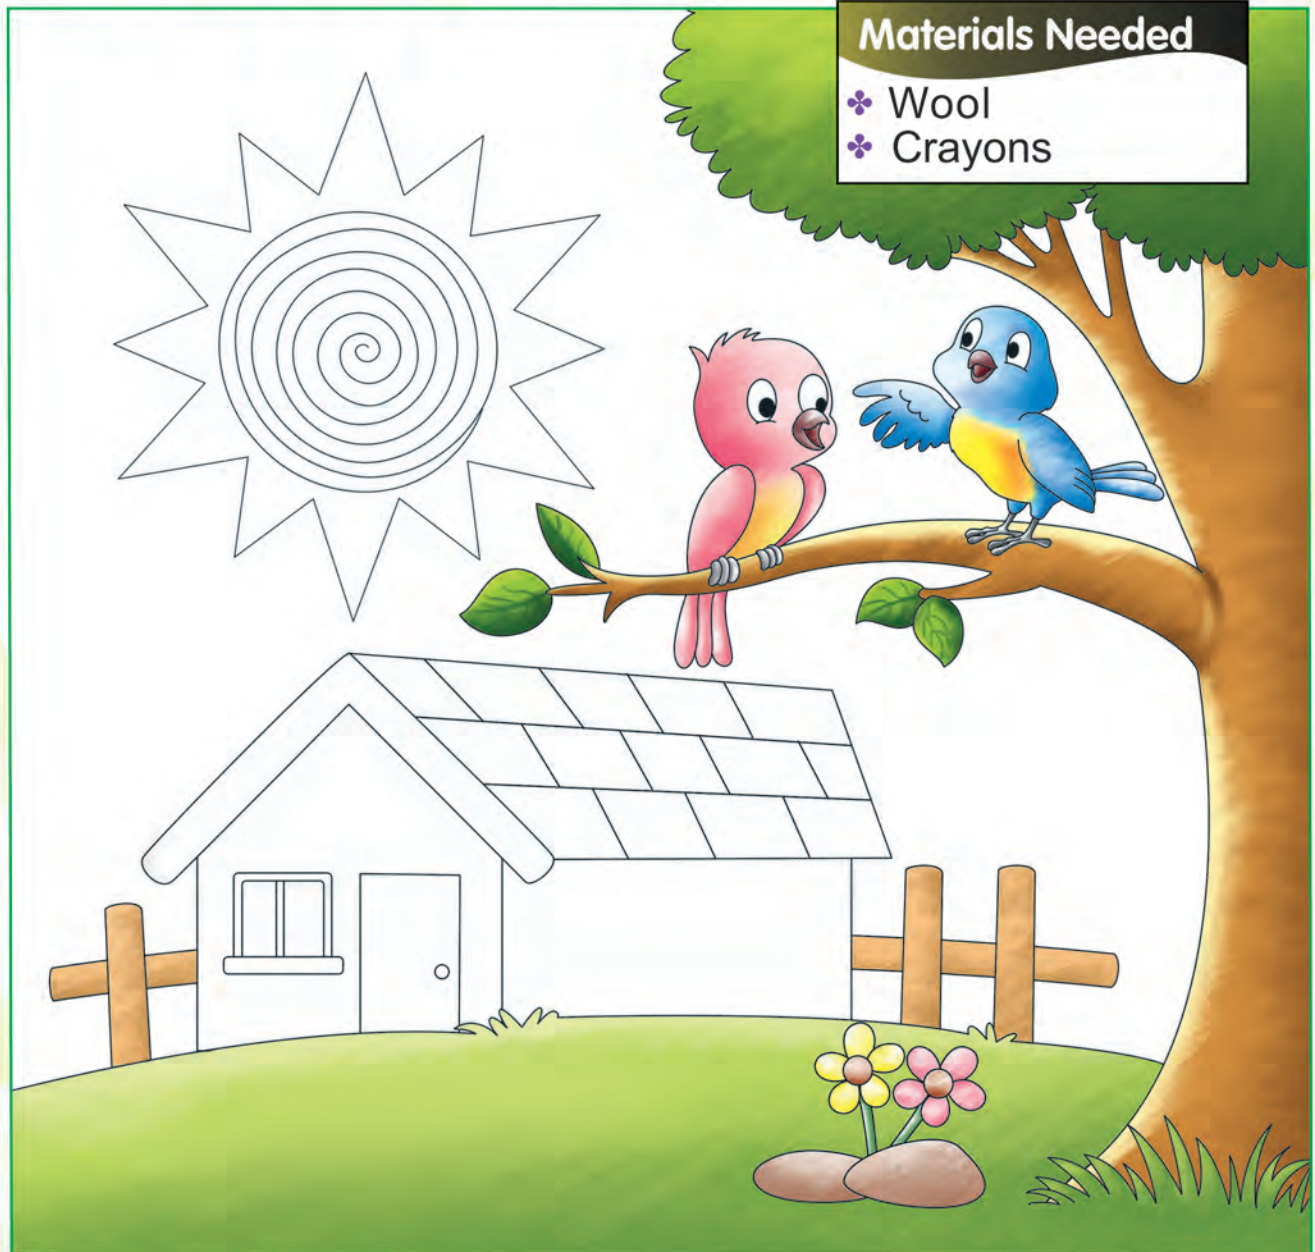

Steps :

1. Put some fevicol in the centre of swirl shape sketch of the sun.
2. Take yellow colour wool and start pasting from the centre and rotate in swirl shape.
3. Now apply fevicol on outer part and paste wool from the one end.
4. Let it dry and colour the rest of the picture using crayons.

Materials Needed

- ✦ Wool
- ✦ Crayons

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

Spider Web - Wool pasting activity

Spiders spin web to live in. Help the spider to make its web more durable. Paste wool on the marked lines as shown in the picture.

Are you aware?

Spiders can make silk all their lives. They use it to build webs, make egg sacs, and even create little parachutes to travel long distances.

Materials Needed

✿ Wool

Teacher's Feedback

		
Average ☐	Good ☐	Excellent ☐

Bubble Art

A soap bubble is a very thin film on soap water. Their shape is a hollow, round ball or a sphere. Follow the steps and make a greeting card using bubble art.

Add liquid soap in a bowl or in a glass of water.

Make bubbles with a straw and add colours on the bubbles carefully.

Put paper sheet on the foam.

Now remove the sheet from the bowl and you get a colourful design on it. Let it dry first, then write your wishes on it. Your bubble art greeting card is ready.

Materials Needed

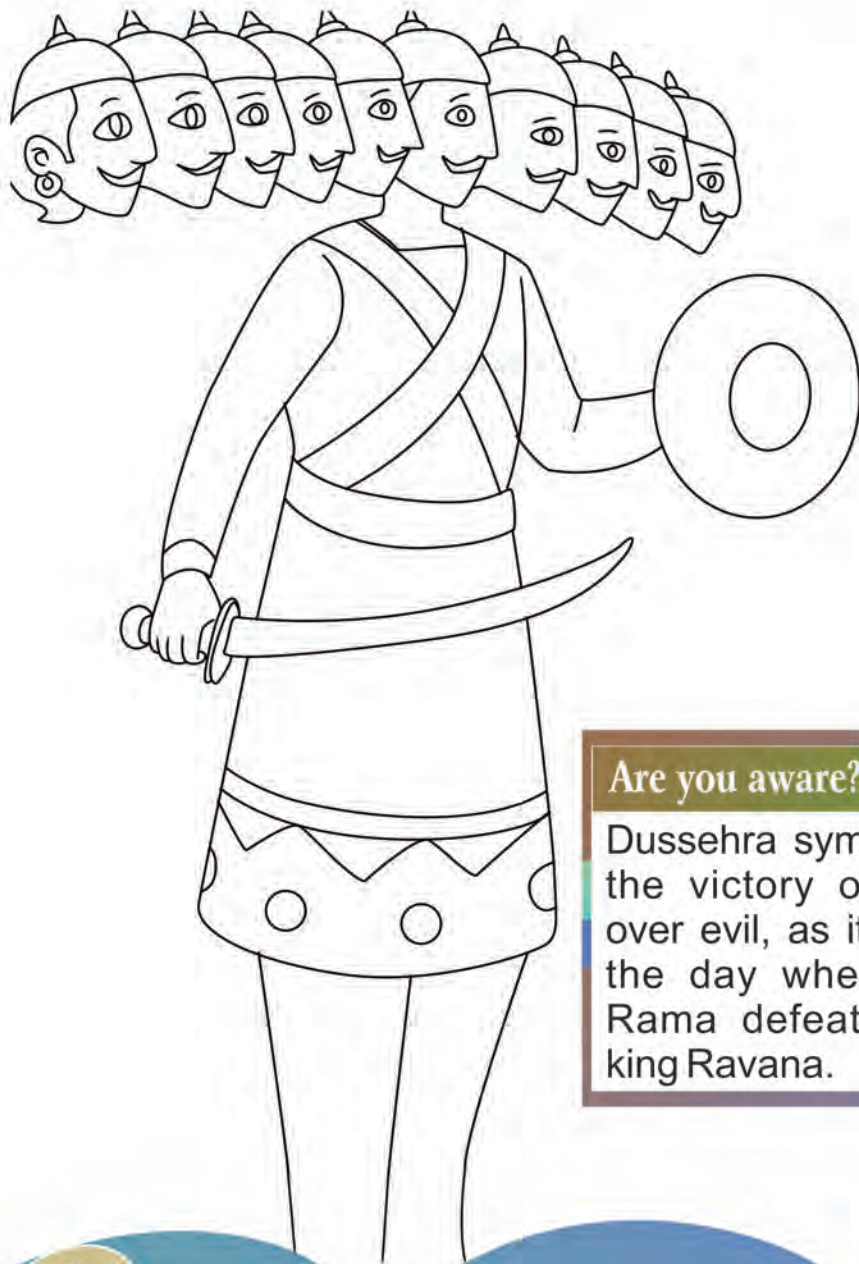

✿ Liquid Soap ✿ Poster Colours ✿ Paper Sheet ✿ Drinking straw

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐

Happy Dussehra

Colour this picture and enjoy Dussehra.

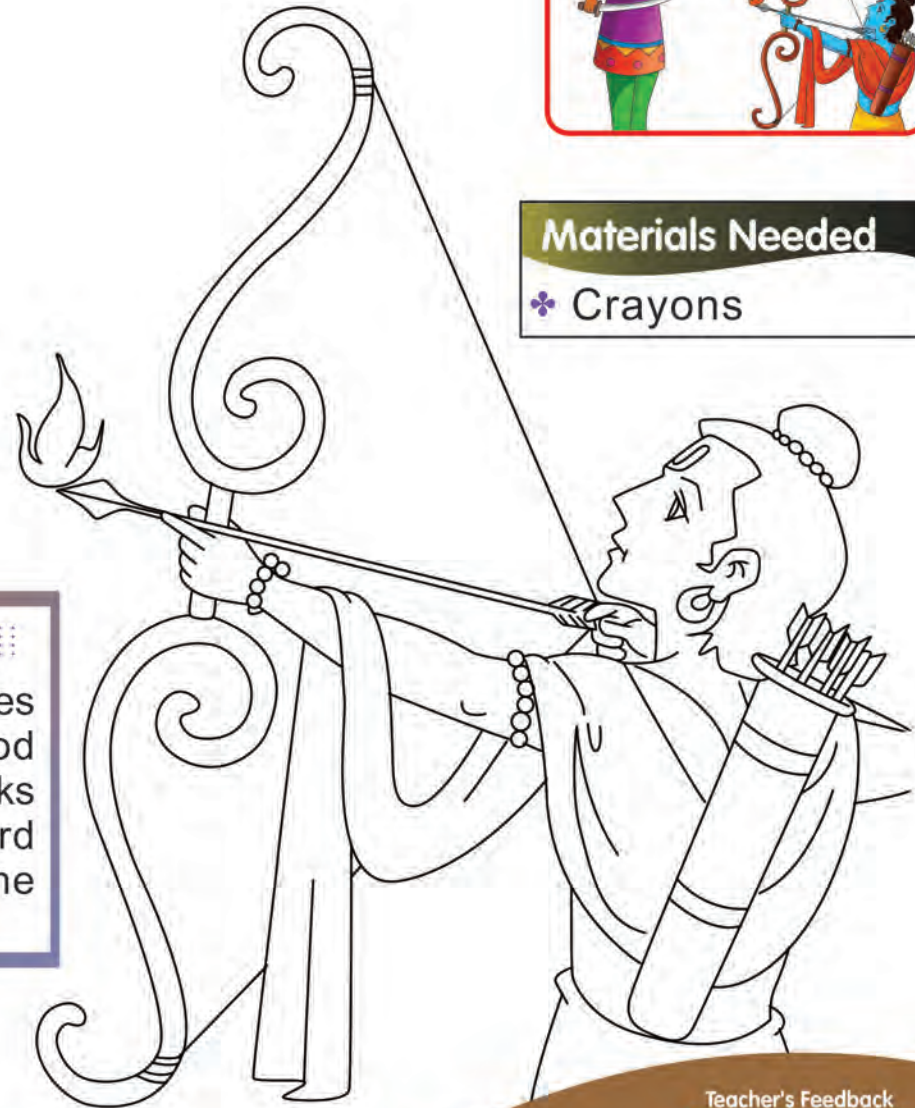

Are you aware?

Dussehra symbolizes the victory of good over evil, as it marks the day when Lord Rama defeated the king Ravana.

Materials Needed

✿ Crayons

Teacher's Feedback

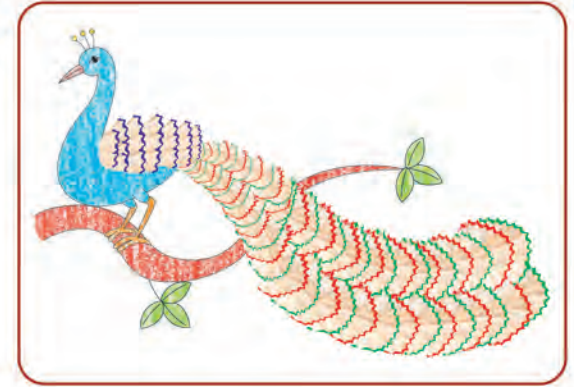

Average ☐	Good ☐	Excellent ☐

Peacock - Pencil shavings activity

Draw pencil sketch of peacock and colour it using pencil colours. Paste pencil shaves on its feather as shown.

Materials Needed

✿ Pencil Shaving

Teacher's Feedback

		
Average ☐	Good ☐	Excellent ☐

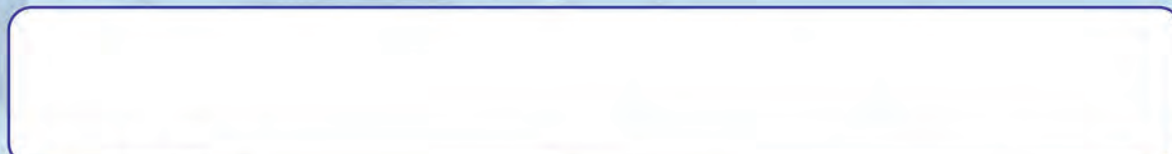

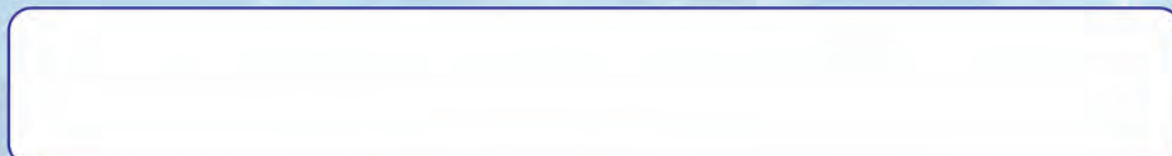

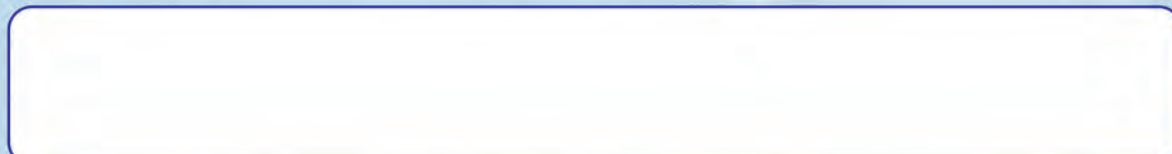

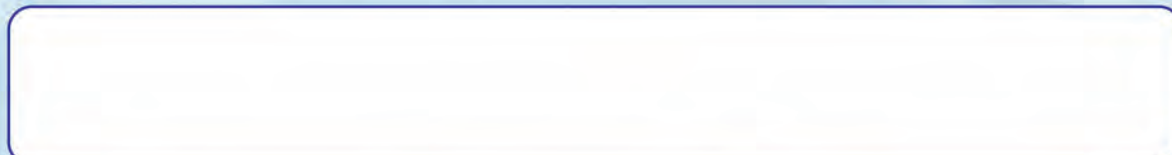

Designs and Patterns

Let's draw and colour the patterns given below. These designs and patterns can be used to decorate gift wraps, charts, project files, greeting cards etc. and also can be used as borders of certain things.

Are you aware?

Patterns have been around for ages and are often inspired by nature.

Materials Needed

✦ Pencil Colour

Teacher's Feedback

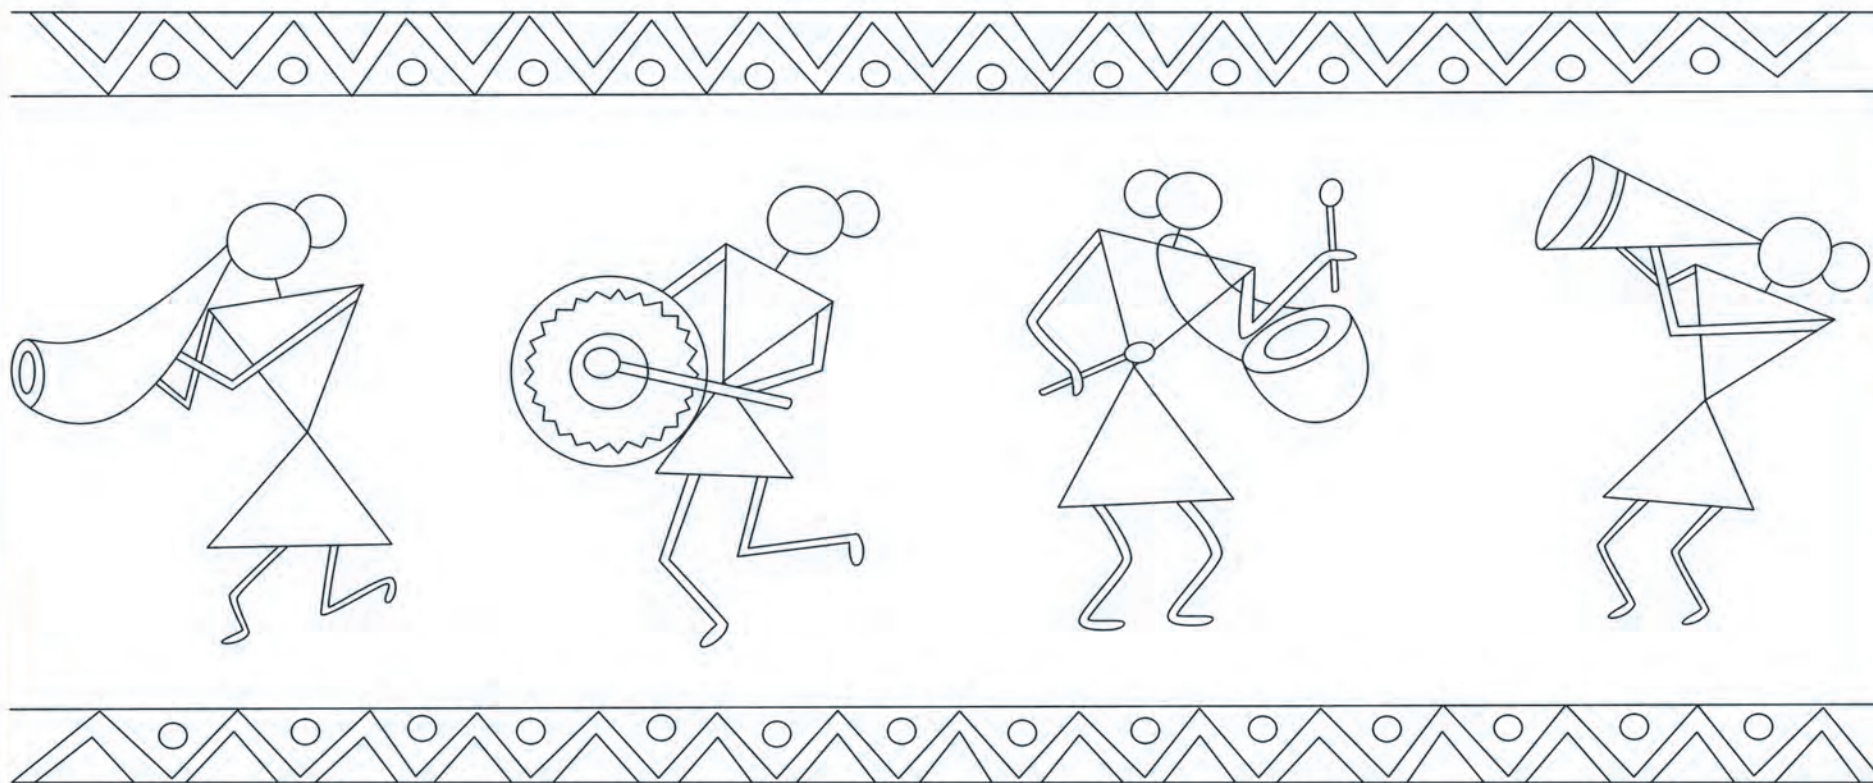

Warli Art

Warli art is a beautiful folk art of Maharashtra, traditionally created by the tribal women. Fill in the colours in the given outline of warli painting beautifully.

Materials Needed

✿ Sketch pens

Teacher's Feedback

		
Average ☐	Good ☐	Excellent ☐

Moonlight - Eraser Drawing

We can make beautiful drawings using an eraser. Let's see how! Take a pencil and scrap its lead to make powder. With the help of a cotton ball apply this powder gently in the given space to make it all over black. Now, take a sharp edged eraser and rub the pencil shading to make this beautiful scenery. Feel the effect of eraser drawing.

Materials Needed

- ✿ Eraser
- ✿ Powder

Teacher's Feedback

Average ☐	Good ☐	Excellent ☐
