The Foolish Donkey

The Foolish Donkey

A merchant had an donkey. He cared for it very much. He gave it grass and hay to eat. He went to city daily with a bag of salt. His donkey carried this bag. One day, the donkey slipped and fell into the water with the bag. Some salt got washed away with the water. The bag became light. The donkey felt very happy. Now everyday it fell into the water purposely and made the load light. The master was very angry and annoyed. One day, he loaded the donkey with a bag of cotton instead of salt. The donkey fell into the water but this time the load became heavier. The master beat the donkey to move it forward. The foolish donkey felt sorry and after that it never played tricks.
